Order Directing Response to Motion for Reconsideration

I previously dismissed petitioner Steven C. Scott’s pro se 28 U.S.C. § 2254 habeas corpus petition as second and successive¹ and entered judgment.² Scott moves for reconsideration,³ noting that an amended judgment of conviction was filed in June 2019, so his current petition is successive.⁴ The court concludes that a response to the motion by respondents will aid in its determination of whether the petition is successive.

IT IS THEREFORE ORDERED that respondents must file a response to petitioner's motion for reconsideration (ECF No. 9) by May 14, 2020.

IT IS FURTHER ORDERED that the petitioner must file his response to respondents' response, if any, within **30 days** of being served with respondents' response.

Dated: April 14, 2020
